## F+R Exclusive Spirits

SIZE	PRODUCT NAME	PRODUCER	HKD/UNIT
70cl	CUBANA	Bloomsbury Atelier	\$2,500

Introducing Bloomsbury Atelier CUBANA - the first in a series of geographical spirits from the Creative House of the Bloomsbury Distillery. This unique distillery searches for experiences across the globe, combining beautiful flavours and their geographies to create incredible spirits that resist definition.

This inaugural Bloomsbury Atelier spirit, CUBANA, is number one in a series of enigmatic releases distilled in London. It is an ode to Caribbean fermentation, a distillation of the Cuban cigar, its flavours and key ingredients from those seas and shores. CUBANA distils the spirit of a journey and the power of its findings - its materials.
