

A MASTERPIECE OF MODERN FINE WINE COLLECTING

This phenomenal list of wines represents only a small cross section of a much larger cellar, which has been meticulously curated over time with great care and attention given to selecting and sourcing only the very best. With the exception of wines marked as 'EP', everything is currently held in professional storage with FINE+RARE.

The range of wines on offer here is enormous, it not only covers the classics of Bordeaux (mature Latour, Lafite, Lafleur, Ausone, Le Pin) and Burgundy (Rousseau, Roumier, Lamarche) but also includes some of the most iconic wines from Spain (Artadi's El Pison, Pingus, Contador) Australia (Torbreck, Yalumba's Caley, Jim Barry's Armagh), California (Sine Qua Non, Scarecrow, Dominus, Harlan) and beyond.

This is a very special collection, that I am delighted to be able to present to you. I would very much encourage you to take a moment to look through and let us know what appeals.

Happy hunting.

Craig Norton, Sales Director, FINE+RARE

FRANCE - BORDEAUX

There are numerous legendary wines in the collection, from some of Bordeaux's top Chateaux in the very best vintages.

Highlights are many, but to pick out a few: Chateau Haut Brion 1990, Mission Haut Brion 1989, Chateau Lafite 1996, Leoville Las Cases 2005.

As you can see this is a cellar that has been curated with great skill, there isn't a bad wine in there.

Bordeaux Blanc

Mis en bouteille au Château Cheval Blanc

BURGUNDY

Whilst Rousseau's Chambertin (1993, 2001), Clos de Beze (2010) and Georges Roumier Amoureuses (1999) are impossible to ignore, the collection also contains some of Burgundy's finest terroir from very well-priced producers – Le Montrachet from Bouchard, Bonnes Mares from Domaine Moine Hudelot and Musigny from Louis Jadot are just some of the highlights.
