INTRODUCTION

It is with great excitement that we announce this exclusive partnership between FINE+RARE and the world’s most awarded Rye Whiskey producer – WhistlePig.

Following the unprecedented success of the world’s first single cask WhistlePig 15YO, selected and bottled by F+R, we are opening up the experience to our clients.

For a 12 month period running from October 2019, we are running a “15YO Custom Reserve Cask” initiative. An exclusive opportunity to select, personalise and bottle your very own single cask of award winning WhistlePig Rye Whiskey.
Just 10 casks are available which were selected this July at the WhistlePig Farm/Distillery, by our Head of Spirits David Walters, in collaboration with Peter Lynch, the protégé of the late Dave Pickerell.

Thirty five samples drawn from WhistlePig’s signature Vermont Oak Casks – each said to contain whiskey no younger than 15 years old.

Throughout the process the aim was to select what we deemed ‘exceptional’ casks.

Casks which represent the essence of what a single cask should be – ‘one off’ expressions which exude the quality and DNA of WhistlePig’s most celebrated and internationally awarded whiskies but with outstanding individual character.

We now offer you the chance to select one of these ‘exceptional’ casks for your very own private bottling.
THE WHISTLEPIG ETHOS

Founded in 2008, WhistlePig is now the most awarded Rye Whiskey maker in the world. All thanks to Dave Pickerell and a supporting team who saw the potential in Rye Whiskey.

Their ethos has resulted in global success which preaches the following: protect what makes Rye Whiskey great; toss out the rest; and then innovate to make it better.

This innovation continues to deliver a leading portfolio of deeply complex Rye Whiskeys and has received a host of awards, including the coveted, “Best in Show Whiskey” title from the San Francisco World Spirits Competition.

FINE + RARE
WHAT MAKES WHISKEY BOTTLED UNDER THE 15YO LABEL SO SPECIAL?

- The brand’s core range 15YO received a score of 97 points from Wine Enthusiast – one of the highest scoring Rye Whiskeys of all time.

- Finished in custom designed Vermont Oak Casks, made from trees felled on their Shoreham, Vermont farm and surrounding area.

- At a minimum of 15 years old, this is some of the oldest Rye Whisky in the world.

- Each bottle includes handmade Danforth pewter stopper and box.
WHAT MAKES VERMONT OAK SPECIAL?

Vermont is about as far north as oak trees can grow. The shorter growing seasons lead to oak trees with more growth rings. When ageing whiskey encounters a growth ring in a cask it imparts flavour, so these Vermont Oak Casks, with custom chars and toasts designed by Dave Pickerell, bring tremendous depth and complexities to the whiskies.
